Outlining Exercises for Global Revision

Create 2 outlines – 1 formal, 1 holistic – as below. You can do them in either order.

Formal Outline: Follow process and form covered on pages 48-49 of Patterns.

Holistic Outline: Find an essay from Patterns (for example “Two Ways to Belong in America” or “What’s in a Name”). Create a Reverse Outline to get a sense for the techniques, organizational strategies, etc. that the author uses. Which could you use? How? Describe and or create a map like the one on pg 46 of Patterns.
