## **Welcome/Instructor Info**

This part would contain a paragraph about the instructor and perhaps a photo or several photos and maybe that video clip about a minute long saying “hi, this is me your teacher and welcome to the class!”

This area could extend as far as needed.

Maybe contain more links, perhaps instructor’s own work?

Or very special  
Poets of note to call attention to?

Photo of  
Instructor  
(Or sample  
Frame from  
A video welcome?)
