

Registering in MasteringPhysics

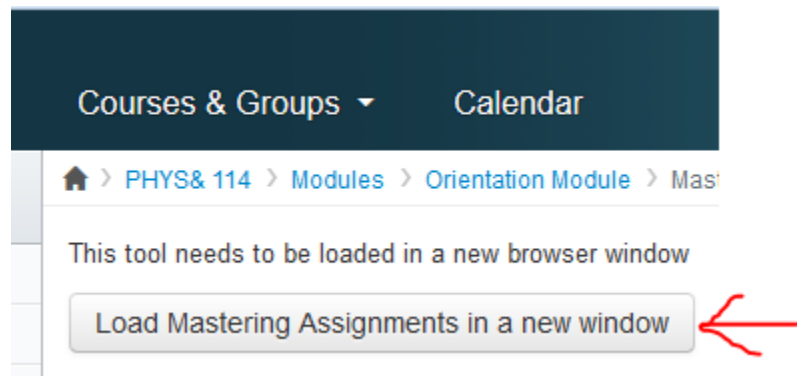

Step 1: From Canvas: Click on the module link on the left of your screen.

Step 2: Click on the MasteringPhysics HW item in the Orientation Module.

Step 3: Click the button to “Load mastering Assignments in a new window”

Step 4:

If you have a code purchased from the book store, then you will click the blue “Access Code” button and enter your code.

If you do not have a code because you purchased a book from another location, click select one of the two buttons with prices listed on the right. One comes with an eText and one does not.
