

9.5.2 LEARNING AGREEMENT/REPRIMAND FORM
NORTH SEATTLE COLLEGE

X Theory NUR 128

Name: Cierra Chappelle

Date: 5/31/17

The information below documents your score on Exam # 2. Your score is below the required 77% to be a passing grade.

1. Your score on Exam # 2 is 76 % (38 out of 50 possible points)
2. Your current med/surg exam average is 76 % which is below (above or below) the required 77% exam average.

Instructor Comments:

The PN and LPN to RN Ladder Programs require a minimum overall mean average of 2.0 (77%) on course examinations to pass.

Course NUR 128 has 3 unit exams as well as a comprehensive final. An exam average of 77% must be obtained to continue on in the nursing program.

Recommendations:

1. Meet with instructor to review exam.
2. Review material related to errors.
3. Contact student tutors for additional help.
4. contact nursing tutor

Student Comments:

Plan for Remediation/Follow-up:

get gas resources to help get to class
& do more practice questions + use more resources to study.
