

MLA Citation Style Guide

You can also create your list using **NoodleBib**, an online service to help you generate, edit, and print an entire MLA list of Works Cited. NoodleBib is accessed from the NSCC Library Homepage: <http://dept.sccd.ctc.edu/nslib/> under **Help With Research** from any computer on campus. From off campus, call a Reference Librarian (206-527-3609) for the institutional login and password.

- Use the heading Works Cited.
- Double space your citations.
- List each entry alphabetically by the first letter of each citation (skip *a*, *an*, or *the* if it is the first word).
- Give each entry a hanging indent.
- Keep publishing information minimal: ex: *UP* for University Press. Omit *Inc.*, *Books*, *Publishers*, etc.
- Include the medium for each item: Print, Web, DVD, Videocassette, CD, Performance, Radio, Television.
- For complete guidelines refer to the *MLA Handbook for Writers of Research Papers*, 7th edition, available in the reference section of the library [Ref LB 2369.G53 2009].

Online Sources

- It is no longer required to include the url to a Web source if the source can be found with a simple online search. However, Noodlebib recommends including the link and some instructors may require the Web address as well. Check with your instructor if you are unsure whether or not to include it.
- Whenever possible, find and cite media posted on the copyright holder's Web site or YouTube/Hulu channel.
