

TES is a tool that helps faculty and staff coordinators/advisors review course descriptions from other colleges and compare for equivalency courses at North Seattle College.

Need access? If you are a faculty coordinator or academic advisor and need access, please contact Lisa in Credentials at lisa.jones@seattlecolleges.edu.

TES BASICS

If you use the “SEARCH” menu, you can search institutions and courses by going to “Course Finder”.

Type the institution name and then select. The search function looks for exact matches to whatever you type in so if you aren't sure if it is Clark College or Clark University or if it is "Clark" or "Clarke", just type in "Clark" and select from the list the is provided. If you type in Clarke College, then "Clark College" will not show up.

You can search by a specific catalog set or by the course, or view the PDF catalog if it is available.

With **course search**, you can search by exact code/prefix or by course title and it will show you all related courses across all available catalog years. If you type in “biology” all courses (even across disciplines) that include “biology” will show up. If you know the prefix is “BIOL” and you type only “BIOL” (no course number) under course code, all courses within that prefix will show up.

Selected a course or courses and then click the “view” button on the right side (it travels when you scroll on the page).

COURSE CODE	COURSE TITLE	UNITS DATA SET
BIOLOGY		
<input type="checkbox"/> BIOL 011	BIOLOGY PRACTICUM	1-10 14/15
<input type="checkbox"/> BIOL 011	BIOLOGY PRACTICUM	1-10 13/14
<input type="checkbox"/> BIOL 011	BIOLOGY PRACTICUM	1-10 12/13
<input type="checkbox"/> BIOL 011	BIOLOGY PRACTICUM	1-10 11/12
<input type="checkbox"/> BIOL 011	BIOLOGY PRACTICUM	1-10 07/08
<input type="checkbox"/> BIOL 011	BIOLOGY PRACTICUM	1-10 05/07
<input type="checkbox"/> BIOL 011	BIOLOGY PRACTICUM	1-10 03/05
<input type="checkbox"/> BIOL 011	BIOLOGY PRACTICUM	1-10 01/03
<input type="checkbox"/> BIOL 011	BIOLOGY PRACTICUM	1-10 99/01
<input type="checkbox"/> BIOL 011	Biology Practicum	1-10 03/00

You can print course descriptions, email course descriptions to someone else (other faculty or me, for example), view institutional details, or view transcript details by using the icons at the top right.

Use the yellow puzzle piece at the bottom of the course descriptions to see how it compares against North Seattle Course descriptions, side by side.

TES® **Transfer Evaluation System** TES 3.0

SEARCH TRACK MATCH SUPPORT MANAGE LOGOUT

COURSE FINDER 7

FIND NEW: [INSTITUTION](#) → [COURSE](#)

INSTITUTION: **CLARK COLLEGE** VANCOUVER, WA

SEARCH TERM: **biology**

BIOL 011 BIOLOGY PRACTICUM
Laboratory work for selected biology courses. Concurrent enrollment in BIOL& 251, 252, or 253 required. 220 hours of lab.

UNITS: 1-10
DEPARTMENT: BIOLOGY
SRC CATALOG: 2012-2013 Clark College

VERSION HISTORY : 2025 - 12 - 3

Then you can search North courses in the same way that you would search other colleges as described above. The other course description will stay on top and you can compare after you select the course or courses that you want to compare against. **You can also print, email or save (to PDF) these equivalency comparisons too.**

The screenshot displays the TES 3.0 (Transfer Evaluation System) interface. At the top, the logo 'TES 3.0 Transfer Evaluation System' is visible, along with navigation links: SEARCH, TRACK, MATCH, SUPPORT, MANAGE, LOGOUT, and CollegeSource. Below this is the 'COURSE EQUIVALENT SEARCH' section. A search path is shown: 'FIND NEW: INSTITUTION -> DATA SET -> COURSE'. The search results are divided into two sections. The first section is for 'CLARK COLLEGE' with 'DATA SET: CLARK COLLEGE 2012-2013'. It lists 'BIOL 011 BIOLOGY PRACTICUM' with a description: 'Laboratory work for selected biology courses. Concurrent enrollment in BIOL& 251, 252, or 253 required. 220 hours of lab.' and details: 'UNITS: 1-10' and 'DEPARTMENT: BIOLOGY'. The second section is for 'NORTH SEATTLE COMMUNITY COLLEGE' with 'DATA SET: SEATTLE COMMUNITY COLLEGE DISTRICT 2012-2014' and 'KEYWORD(S): BIOLOGY'. It lists 'BIOL 102 GENERAL BIOLOGY' with a description: 'Emphasis on common plant and animal activities, energy pathways via respiration and photosynthesis and metabolic activities. Stresses other physiological differences between animals and plants. Lab included. Offered at Central Seattle Community College, North Seattle Community College, South Seattle Community College.' and details: 'UNITS: 5', 'PREREQUISITE: BIOL& 100 and 160', and 'DEPARTMENT: BIOLOGY'. A 'BACK' button is located to the right of the second section. A red oval highlights a set of icons (print, email, save) to the right of the search criteria.
